**Re: McIntosh Services Co.
Tulsa, Oklahoma**

To Whom It May Concern:

This is to advise that I have provided surety credit for McIntosh Services, Inc. for over 30 years and certainly since present ownership in 1993. Liberty Mutual, through it's affiliate Ohio Casualty, has been the surety company providing the bonding since that date and has never experienced any owner, general contractor, construction manager, subcontractor or supplier complaint or claim. In fact, their work has been highly complimented by these partners.

Every bond request made from McIntosh Services since 1993 has been approved promptly and without hesitation by Ohio Casualty. Single projects bidding in the \$ 20,000,000 range have been approved by the surety company and have not questioned any requested aggregate work program.

We welcome any opportunity to discuss and recommend McIntosh Services for any considered projects. If you have any questions, please do not hesitate to call me.

Sincerely,
